2006 Pacific Northwest Incident Management Symposium

October 2-4, 2006

The Big Picture
Redmond Town Center
Redmond, WA USA

2006 Pacific Northwest Incident Management Symposium

**Redmond, WA
Oct. 2, 3, & 4**

Join us for focused strategic development from the nation's experts on a variety of topics relative to Incident Management. The Symposium is being held at The Big Picture Theater, a small private theater featuring state of the art sound and video. Topics include Command Safety, Command Leadership, Planning Section Effectiveness, and Recognition-Primed Strategic Decisions to name just a few. This is a fabulous opportunity for fire officers and aspiring officers to learn from the best in a unique learning environment.

Join us for a special viewing of **Ladder 49** at The Big Picture Movie Theater. Beer, wine, cocktails & gourmet popcorn available for purchase during the film.

Woodinville Fire is sponsoring a
Command Competency Clinic
featuring:

- Multi-screen Simulation Exercises
- Promotion Exam Success
- Command Post Management
- Incident Action Plan Templates
- How To Supervise a Division/Group
- When To Establish a Branch

This all day clinic is being held Sept. 30 or Oct. 1st. This is in addition to the symposium and a \$49 fee is required for participation. (Class size limited to 25 each day)
